

Sponsorship Form

Roxborough Women's Network

Information about our organization

The Roxborough Women's Network was established in February 2007 and has over 100 members. In an effort to fund programs created by the RWN for the Roxborough Community and to help cover administrative/operating costs, we are offering business sponsorship opportunities. Thank you for your interest in supporting our group.

Our Purpose

- We offer a variety of quality venues for women to have fun and make a difference.
- We provide a resource for all women to access all the great things going on in our neighborhoods.
- We support local businesses and women in business in the area. We strive to hold meetings in local venues.
- We provide care for members who are in need and welcome new members.
- We have a community service/philanthropy orientation.
- We provide communication to all women in the community on matters involving the Roxborough area.
